Rhythms of Grace

Running a toddler group can be one of the most exhausting yet rewarding activities in our week. Trying to recruit a team of volunteers whilst planning crafts and ensuring health and safety issues are dealt with, can be so challenging. This conference gives you the opportunity to spend some time relaxing and having fun with others who share the same passion for toddler groups. It is a day to listen to inspirational speakers whilst giving plenty of space to network, browse exhibitions and make new friends.

Our day is based on Psalm 139 God Knows All About Me - 'You have searched me, Lord, and you know me.. You know when I sit and when I rise; you perceive my thoughts from afar. You discern my going out and my lying down.'

'It's amazing how many toddler groups are transforming communities across London, reaching some of the people groups that other church initiatives fail to reach. God is at work through them as parents are encouraged, children are nurtured and the love of Jesus is demonstrated. This one day conference is an opportunity to hear more of what God is doing and to be encouraged as you continue to serve your community!'

Andy Frost, Chair of London Mission Collective

The conference will provide an opportunity to:-

- be encouraged and envisioned regarding the work of parent and toddler groups
- hear our key note speaker – Joanna Gordon, Director of Daniel's Den
- participate in workshops
- network with colleagues
- enjoy our exhibition including craft ideas, bookstall
