Purpose: To encourage and enrich family life in order to build stronger communities

Vision: We have a vision to see:

- ~ Parents and children having the opportunity to 'know and be known' in their local community.
- ~ People building 'relationships that matter' within and beyond their cultural/ethnic group.

Objective: To have family life valued in all levels of society, both locally and nationally

Ten years ago we produced a Song Book that contains all our favourite songs. A copy of the song book is available on our website and hard copies will be on sale in our sessions.

We are going to have a 'Sing-a-long week' March 18th-22nd when we will dress up as characters from the songs and also have a sponsored sing. We hope to invite local people to join us in a big community sing too!
